MEMORANDUM FOR: Executive Assistant to DD/S

SUBJECT : Revision of Agency Regulation on External Training

1. Our proposed regulation for external training under P. L. 85-507 is attached. The new regulation rescinds [REDACTED] since Section 4 of P. L. 81-110 will not be operative with respect to external training upon publication of this change.

2. The Registrar Staff has worked closely with representatives of the General Counsel on the wording of this regulation insofar as interpretation of P. L. 85-507 is involved. It is my understanding that you will obtain final concurrence from OGC before your coordination with DDP.

3. A review has been made of other Agency regulations pertaining to training and we find only two instances where immediate revision is required since we will now conduct external training under P. L. 85-507 instead of the formerly applicable provisions (Section 4) of P. L. 110, the Central Intelligence Agency Act of 1949. I recommend publication of appropriate changes to [REDACTED] and [REDACTED] to effect the necessary corrections; as follows:

a. [REDACTED] So much of Paragraph 12b(7) as reads "In accordance with the applicable provisions of the Central Intelligence Agency Act of 1949 (63 Stat. 208) and such Agency policies...." be changed to read "In accordance with applicable statutory authority and (such) Agency policies...."

b. [REDACTED] Delete that part of the title which reads "Under Public Law 110 (81st Congress, 1st Session)."

Director of Training
